The Building of the English Parish Church from the Saxons to the Victorians

Within any parish, the local church is often the oldest building, & is larger than any pre-19th century structure except perhaps a barn. The church is built from the most durable local stone. We will look in detail at the huge array of architectural designs and styles from the earliest Saxon times to the Victorians High Gothic Revival and Arts & Crafts.

With the very popular tutor
Colin Canfield

10am to 11.45am for 10 Weeks
15 hours of study for just £52.50
 including 2 field trips

Starts Tuesday 3rd January 2017
Linton Village Hall, Coles Lane
